

STARTCO SE-704 MANUAL AND DATA SHEET ADDENDUM

October 17, 2007

The current sensors available for use with the SE-704 are:

- SE-CS30-26 with a 26-mm window
- SE-CS30-70 with a 70-mm window

The following current sensors are no longer available:

- SE-CS30-2
- SE-CS30-4
- SE-CS30-5
- SE-CS30-8

Please see <http://www.startco.ca/accessories/cad/> for drawings giving complete dimensions of currently available current sensors.

Please contact Startco with any questions or concerns.
