#### Price Policy

Policy F from SP 50-000 is applicable.

#### Terms of Payment

Policy A from SP 50-000 is applicable.

#### Minimum Billing

The minimum billing charge shall be **\$100.00** plus transportation charges as indicated under "delivery."

#### Export Packing

List prices include apparatus having standard domestic packing only. Where packing for overseas shipment is required, add 5% to the total calculated price for the equipment, for the Westinghouse standard export packing.

**Special Designs:** All orders for Type W, W-2, WL, WL-2, and auxiliary switches which require modification to existing standard designs will be subject to a one time charge of **\$300.00. ●**

**Resale prices are suggested only.**

● Changed since previous issue.

#### Quality Assurance Audits

When an order requires an audit of the Quality Assurance program to assure compliance to Quality Assurance criteria as specified in the Purchaser's order or specification, the following two items will apply:

1. Only the ultimate end user or governing regulatory body will be permitted to audit.
2. A charge of **\$3200** will be made for each audit to cover the additional costs and special handling associated with the audit.
